

TIME MANAGED

How to Mind Map...

Mind Mapping can be used for brainstorming, visual thinking, and much more. It is a way to organize your thoughts, ideas, projects, etc. There is no wrong way to mind map; so be sure to find your own style. Here we have provided the basic concept of mind mapping to get you started.

You can use as many topics or subtopics as you can think of. Get creative with it! Mind mapping enhances retention of information. Here is an example of a mind map.

Don't be afraid to use lots of colors, images, article clippings, etc. It doesn't have to be perfect; it is just a method of getting your thoughts onto paper.
